A WORD Eagles

In my neck o the woods, I have the opportunity of seeing the beauty and majesty of eagles in action. As I watch them, I think of how different they are in comparison to other birds I see. It's as if each one has its own space. They don't all congregate in a single tree as others do. They perch at the very top of a tree, as if they own it. They have an assurance of who they are and of their purpose on this earth. There is no fear. And when they take off in flight, they do so with such grace and confidence. And then from nowhere it comes...the mighty cry. Wow, what a sight to behold! How thankful I am that God loves me so much that He allows me to see such a breathtaking sight, and encourages me to keep on keeping on in spite of all the negativity that life and this world brings.

He reminds me that as Christians, we are to be confident in who we are in Christ. That He (God) has blessed us with every spiritual blessing (Eph 1:3) and He (God) chose us in Him (Jesus) before the foundation of the world (Eph 1:4a).

PRAYER PARTNERS CORNER

In "Resetting My Prayer Life"
book by Jenny Weaver:

Under Preparation, she talks about how "DISCIPLINE" can reset your prayer life & your entire walk with the LORD! When you become discipline in your prayer life, you become strengthened as a believer. You are able to face problems easier than someone who is not disciplined in their prayer life. She talks about how Jesus showed us by His actions what it looks like to have a passionate prayer life: by getting up early to pray & how he would get away, after ministry, to go to a quiet place to pray. **Mark 6:46**

She talks about "PLAY TIME IS OVER". Some believers think of prayer as a means of getting what they want, and, when they are not in need of something, their prayer life is a little too nonexistent & it shouldn't be that way. We don't get a break from prayer, because we don't need a "BREAK" from God.

I Thessalonians 5:16-18

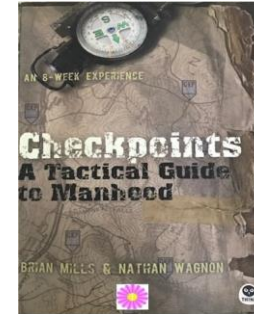

In "The Importance of The Secret Place", she is encouraging everyone to find a place to go & meet the LORD every day. **II Chronicles 7:12**

Continue...

That the perfect love He has for us casts out all fear
(1 John 4:18).

And the cry... well we are to be salt and light in this
world (Matt 5:13-14)

See the similarities?

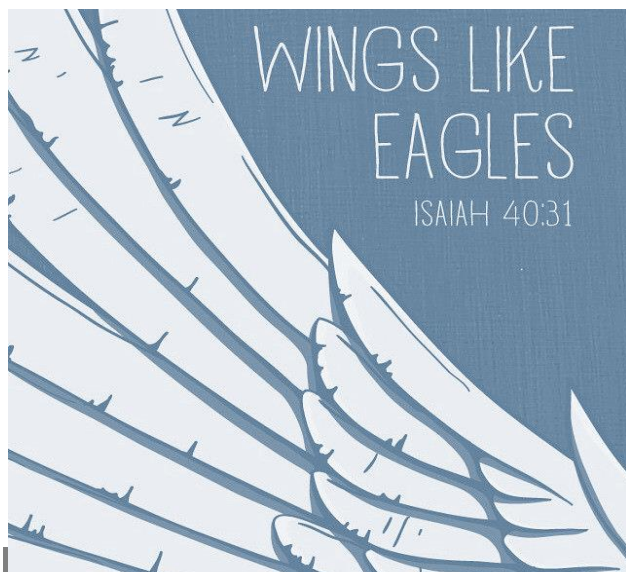

Isaiah 40:31 says, "Yet those who **wait** for the
LORD will gain new strength; They will mount up
with wings like eagles, they will run and not get
tired, they will walk and not become weary."

The word "**wait**" means hope. As Christians, we
have that hope.

So don't get caught up in what this world has to
offer. Rise above it.

Take flight!

Blessings, Sheryl

Celebrating Our Volunteers - Meet Carmen Lane, Librarian, Prayer Team & Discipleship Counselor

Meet Carmen Lane, our new Librarian for Paula's Hope and she is doing a fabulous job organizing and getting our library together for our staff volunteers and Discipleship Counselors to be able to use for our clients and continual training and education. Let's meet Carmen in her own words:

I have a wonderful and handsome husband named Joel. We have an amazing 8-year-old named Josalyn, who is a talented dancer that keeps me busy. I also have a 19-year-old son, Jordan and a beautiful daughter, Jewel, who is 25 with 2 of the cutest grandsons in the world, Derrick and Dionn. We live out in the country and love being outdoors. We have a dog, a cat, 4 kittens, and a pet chicken named Uno. We also have a garden and spend most of our time fighting back the forest...lol. We go to a wonderful church in Eureka Springs and I enjoy volunteering for such an important ministry like Paula's Hope. I felt the Lord leading me to serve and I promised him I would be available if I was asked. Now, I am leading women to freedom through the "Keys To Freedom" class, which is so powerful and important to spiritual growth in Christ. I have grown as a person and as a woman from this ministry and now I am able to give back to the community in a way that was given to me. I am also helping Paula's Hope with their library resources by cataloging them in an online program that will give them an ability to help more clients in their journey to peace through the amazing resources Paula's Hope has been given. I am also a part of the prayer team for I believe through the power of the Word of God and praying, all things are possible!

We are so thankful for Carmen Lane for her service here at Paula's Hope.

The KLRC Morning Show

July 30 at 7:19 AM · 🌐

What a greeting I had when I walked into [Paula's Hope, Inc.](#) (KLRC Office of the Week) this week! These ladies were so excited to visit and their enthusiasm immediately drew me in. There was cheering, smiles and laughter of excitement, KLRC music, and they even had an 8 week old puppy waiting in their arms (DAY MADE!). I even went back outside and came back in just to feel the love again!!! Ha! But what's even more amazing about this group is the heart they all share to truly be the hands and feet of Jesus. They gave me a tour of Paula's Hope which is a nonprofit that offers free counseling to anyone! They don't mess around either. They get to the roots of the issues. They even had a picture on the wall with an actual tree showing the common roots of our issues and how those issues can play out in our everyday lives. The best news of all is they offer a Christ-centered discipleship program that walks you right into freedom FROM those issues. Did I mention it's free? Free Freedom? Yes, Please! Sign me up! What a concept! 😊 Ya'll remember....it's for freedom that Christ set us free! Thank you Jesus! All I know is, I stood there in awe as I listened to the passionate hearts of these women who want everyone to experience the chain breaking freedom that Christ offers. True Vessels for the Kingdom. This is the church being "the church." Men and women of all ages...even children...can come here and receive counseling and discipleship! I just want to say thank you to all the wonderful women and men of Paula's Hope for the warm welcome, awesome tour, and most of all for truly making a positive difference in our community. What a blessing you are! #klrcofficeoftheweek #paulashope #freedom (to nominate your office go to klrc.com)
