CAST YOUR BREAD...

An award waits for you...

Ecclesiastes 11:1

"Cast your bread upon the waters, for you will find it after many days."

What is scripture trying to tell us? God often uses his creation to show us spiritual truths. Oceans are the waters which wrap the earth around us. They have currents and tides and their waves, big and small, crash upon the boundaries of the sands and return back again. Truly a wondrous sound and view to see. These waters know their purpose and change not in it. We are assured these waves will always do as God has assigned them to do and we can be assured that when we follow the commands of God, his blessings will follow as well.

To "cast your bread upon the waters" has been used as a metaphor for being generous. A couple biblical translations emphasize this meaning: "Be generous, and someday you will be rewarded". There is ALWAYS a blessing when we are being generous. Generosity is the nature of our Heavenly Father so it isn't surprising He would expect us to be the same. With the season of giving coming upon us, we would ask that you consider Paula's Hope this year to donate and give financially. Our need and goal would to have at least 30 monthly commitments of \$100.00; 120 monthly commitments of \$25.00; or 60 monthly commitments of \$50.00 or any amount is welcomed to help reach our needs. Can you be one of these who will "cast your bread upon the waters" at Paula's Hope? Great will be your reward now and in heaven. Now, because it will help us to keep our doors open and operate in order to help women in need and in heaven, when you hear those words, "Good and Faithful Servant". There are other needs as well. Below you can find ways in which you can help and donate to Paula's Hope. We were not able to do our annual fund-raising banquet this year due to the pandemic so the need is even greater. Please consider us in your end of year giving. We are so thankful for your donations and God bless you all!

Ecclesiastes 11:1

*"Cast your bread upon the waters,
for you will find it after many days"*

Cast Thy Bread Upon The Water

Cast thy bread upon the water,
'Twill return in many days;
Crumbs of truth for Jesus scatter,
All along thy pilgrim way.
Cast thy bread upon the water,
It will soon return again;
Cast thy bread upon the water,
Jesus says 'tis not in vain.
Cast thy bread upon the water,
Christ will watch the rolling wave,
As it ripples slowly onward,
To the soul He seeks to save.
Cast thy bread upon the water,
Let it spread from pole to pole;
And the prayers of patient toilers
Soon will yield some precious soul.
Cast thy bread upon the water,
Trusting it is not in vain,
For the lost and wandering sinner
May be gathered back again.
